Arrival of the participants

The participants arrived on 15th at the airport of **Catania**.

The day after their arrival they had an informative welcome meeting designed to give the participants useful information about their stay in Sicily. Firstly, they had an introduction to the program in general. Participants were acquainted with a concept of organization and its activities as well as obligations and tasks in which they will be involved during the project.

Afterwards, they were provided with a plan of the city and other essential location details of **Barcellona P.G.** and cities around.

The next informative session was dedicated to cultural aspects of their life in Sicily: work style in Italy, rules to follow, behaviour and farther information was given to the participants. The “Help me” card with useful numbers and phrases in Italian as well as a leaflet with all the useful information they might need (address, rules, tips, etc.) during their stay was provided.

Accommodation of the participants

The participants during their training were based in **Barcellona Pozzo di Gotto**. They were accommodated in B&B Borgo S. Giovanni hotel.

Barcellona P.G. is a city located on the north coast of Sicily. It belongs to the province of Messina. The city has a population of over 45,000 inhabitants. It is strategic location surrounded by many wonderful cities: Messina in 45 km; Palermo - 180 km; Catania - 180 km; Taormina - 80 km; Agrigento - 200 km; Aeolian Islands - 20 km.

Barcellona P.G. is a very nice city, which is quite close to the seaside and has an access to many beautiful places as natural parks, ancient villages and Greek/Roman historical areas.

It also can very busy during the day, however, calm during the night time.

Moreover, interesting events like musical concerts, art exhibitions and other culture involved entertainments are quite often here.

Evaluation of the project

The project's outcome was estimated as excellent. Whole team of "A Rocca" Association and others who were involved in this project truly believe that this experience was useful and inspiring for all participants. Our monitoring team did its best in order to satisfy the expectations of each participant and to ensure the best communication with the sending organization at each stage of the project. In aim to reach this, we organised one day of evaluation meetings with the participants just after the training course.

The participants had a chance not only to obtain professional knowledge, but also to experience a way of working and living in **Sicily**.

Certainly, they have received a lot of useful information about how Sicilian enterprises specialise in **Teaching Methodologies**. Those participants who had a previous experience in this field also could compare all discovered similarities and differences in operating of local and home country enterprises. All participants gained worthy experience and practicable skills through working in a team, cooperation with colleagues and individual tasks.

At the end of the project, all participants received "**A Rocca placement certificate**" and **EUROPASS**.

The most important that the participants obtained professionally advantageous experience in their sector with which they will become be competitive in their area of expertise as well as on job market.

Conclusion

Our team were always ready to offer help, advice or solve any problem within 24-hour availability whenever the participants would need our assistance.

After accomplishing the training our participants seemed to be fully satisfied with the project. According to their opinions, it was an enjoyable and profitable experience. We hope they found inspiration and got new ideas about how to deal with their future career in their country.

Moreover, participants had the opportunity to explore new horizons and get to know Sicilian culture while meeting many new friends from Italy and from the other parts of the world.

In addition, the participants have established new professional and personal contacts which will help them in the future.

We also are more than pleased that were helpful in facilitating their professional development within this project help. We also hope that we will continue our cooperation with **Greece** and reach new heights together!
